Dear Sir/Madam:

The West Penn Minority Junior Golf Association (WPMJGA), a 501(c)(3) junior golf organization who focus is to use the game of golf as an instrument to educate our youth, is one of the most unique and valuable recreational resources for the youth in our region. The **mission** has always been to assist young people to improve the conditions that are necessary to achieve fundamental, social and psychological well being by using the game of golf as an instrument to educate.

WPMJGA has offered top quality comprehensive instruction in all aspects of golf from the basic techniques to course management and tournament competition for over 14 years, but the program extends beyond fairways and greens. WPMJGA sees golf as an opportunity to encourage, enlighten, and enrich our youth; and an opportunity that can teach many personal and social skills that enables youth to succeed in their lives.

Statically speaking our **Black Tie Scholarship Gala Affair** may be the only time that many of the participants will have to the opportunity to ride in a limousine, wear a tuxedo or gown, and see such a fantastic place like Oakmont Country Club. The event is designed to promote the positive impact of our program and provide a measure of financial assistance to those matriculating to college. In addition, your support will enable us to offer opportunities in golf as well as honoring those adults that have made an impact in our community and assisted our program.

- **6th Annual Black Tie/Scholarship Gala Affair will take place August 22, 2009 at the Oakmont Country Club.**

Please consider joining us for this exciting event! Your support and response is needed by **August 10, 2009**. The event is enjoyable and uplifting, and will provide you with an opportunity to show the minority youth in our region that you join the community in support of their educational and professional endeavors.

We look forward to your support and attendance!

Warmest Regards,

Loretta Goodwin
